

# ADVANTAGES OF WISH INTERNSHIPS

## How Students Benefit:

- Obtain a premier internship placement in your field of study
- Work with a developed professional network
- Low program cost of \$3000
- Earn credit for your internship and augment with Portfolio Presentations, Site Visits and Seminars
- Oversight throughout the semester to ensure your internship is substantive and rewarding
- Strengthen verbal and written communication skills through portfolio presentations/briefings
- Learn from a seasoned professional and enhance your internship experience through WI's social and networking opportunities
- Be a part of our residential life services: welcome receptions, social mixers, career night, and policy salons
- Fully-furnished, intern-only housing on Capitol Hill available through WISH Housing (cost additional)

## How Schools Benefit:

- Brand your "College in Washington" with a program designed by you
- Keep the tuition at home while offering credit for the internship in Washington, DC
- Low program cost allowing you to recruit more students for your program
- Faculty Development allowing faculty to reside and teach the interns in Washington, DC
- Housing through WISH Housing on Historic Capitol Hill and classroom space including video conferencing available
- Use of Capitol Hill Ballroom for alumni, enrollment and Congressional Receptions
