Intern in DC!

WHY WASHINGTON D.C? WHY INTERN?

- ✦ D.C. is the internship capital of the world. More than 90% of the world is represented in D.C. through government, businesses, embassies, organizations, news, and media networks.
- ✦ Internships make students more marketable upon graduation. Research has shown that 80% of jobs are found through networking and that students with internships are more likely to be hired.
- ✦ Internships enable a student to gain valuable work experience, build a professional network, and get the competitive edge needed in today's world.
- ✦ Your school's alumni are in D.C. working and are ready to help mentor students and help them make connections.

Why WISH?

- ✦ The goal at WISH is to help the internship experience be positive and productive.
- ✦ WISH will work with your school so that you can obtain school credit for your time in Washington.
- ✦ WISH provides Residential Life Services within our community of interns.
- ✦ Seminars, workshops, tours, career nights, alumni events, presentations and more are offered throughout the semester to enhance your internship experience.
- ✦ There are many networking opportunities throughout the term.
- ✦ Classroom and reception space is available at the WISH Capitol Hill campus.
- ✦ A computer lab and classrooms are available at the WISH Woodley Park campus.
